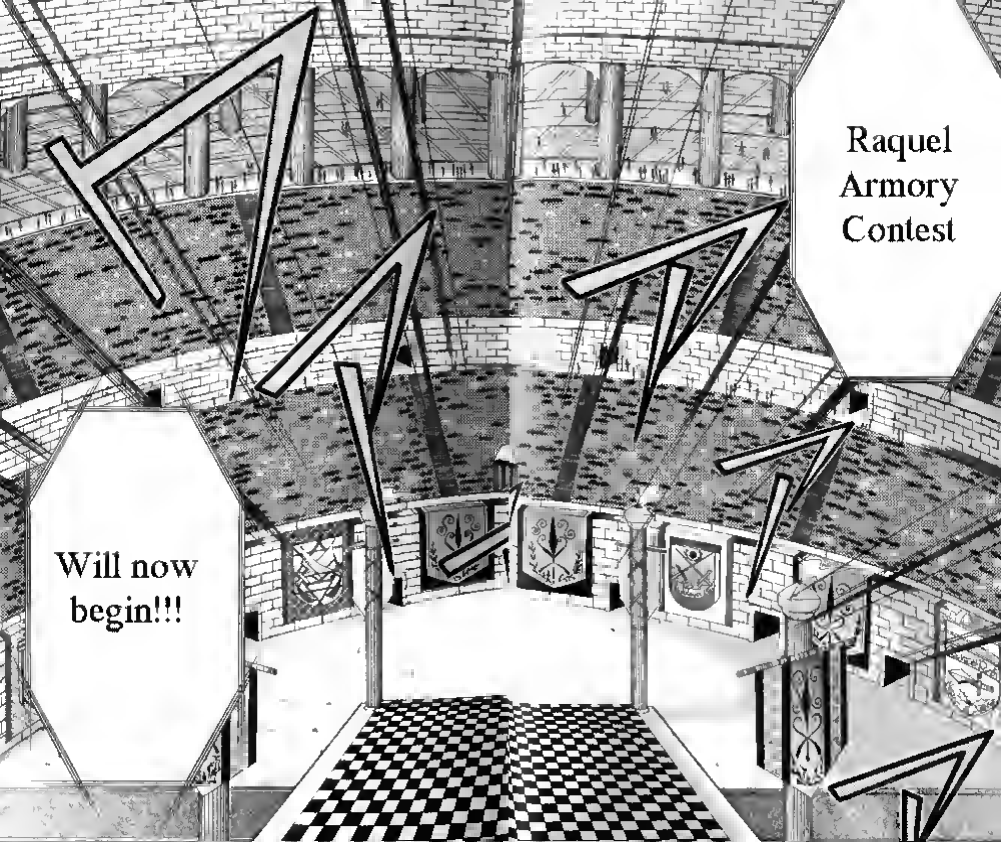
武具大会開催
Opening of the Armory Contest



Raquel
Armory
Contest
Will now
begin!!!

Everyone
Everyone who trained their skills for this day,
everyone who made the strongest weapons
I wish for you all to do your best!!
The traditional armory contest in this Raquel Kingdom has begun this year
Now what you have been waiting for
The first match is-
Claude C. Kenny!!
and Amon Lau!!
His opponent, Lau
was the strong man who
won until the semi final!!
This is Claude's first time in this contest!!
It's exciting to see what kind of fight they will show us!!

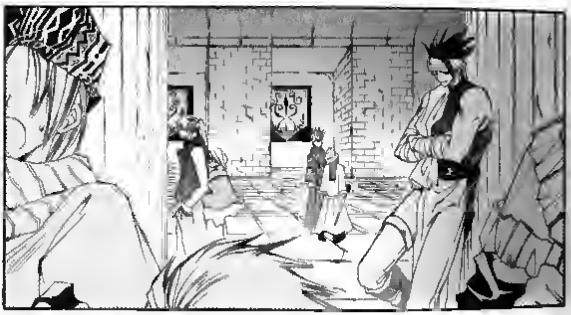
Ooh, Lau started off first!!!
First, I'd like to see your skill
Claude has easily dodged Lau's ax!!!
Pretty good
Are they with you?
Um... yeah...
GO FOR IT, GO FOR IT!!!
CLAUDE, IF YOU LOSE, WE WON'T FORGIVE YOU!!!
Start the match!!!
But I'm not going to go easy on you
Was this your first time here?
Same here
Well now you two!!

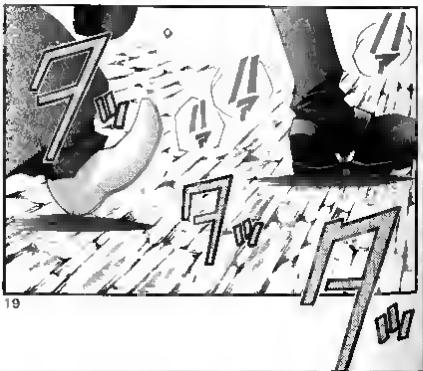
Looking away during a match
is prohibited !!
The large ax attack Claude as if it was an animal!!!
Haaa!!
Lau's attack again!!
Claude will be kept attacked if he keeps this up!
Is Rena watching me some-where
Why
Did Rena...
I'm going with Dias!!
I can only support you though
Good luck at the Armory Contest
Ku
Can Claude stand up!!
That fool!!
He's fighting and thinking about something else at the same time...
Lau finally got Claude who was barely dodging

No
Where did Rena go at a time like this...

If Claude stays like this,
he might lose!

Yes
Is he thinking about Rena going away...
And with Dias taking party,
It is not like I don't understand Claude's feelings





if he is careless, it might cost his life...
even more when his opponent possess such strength.

If you think of something else, you won't be able to read the opponent's move accurately, and

Stop!!!
Do you think we'll actually
Aah!
Air Wave Force!!!
The victory for Gazelle is definite
But as long as we have the sword,
That gramps is in good shape though,
he came after us
That gramps finally gave up, Tombu
Found them!!
I want to see that guy's vexed face
Aah!!?
Give back the sword!
Wait!!

Whow
What was that wind?
W
HUH ?
Owowo wowow
Yes, oh I'm so sorry
Oops there's dirt on
Now now, please take it
I want my sword back...
EXCUSE US
Hmph

We got the sword back
Oh really
Sorry— me being such unmanly
Mr Gyam!!
Hely
But that's cheating !!
Might be that was revenge
I think they realized that he can't win against my true strength
Yeah...the guys who got tangled up with you and Sophia at the bar
Dias, are those two
What's so funny
W—
Hm—
If anything happens, leave it to me
Don't make your niece cry—
You have Sophia
So you guys went after them too
Why did those two took Mr Gyam's sword?
yes
Now lets go, Sophia is waiting for us
Well...there are some who wants to fight straight forward damn honestly
There are more stories like this in the world
Who do you mean by that—

Ooh! Yeah
We'll hurry to the castle
You should bring Sophia first, gramps
Y.. yes
We won't be able to make it to the tournament ..
Lets go
Thanks for
searching the sword with me. .
Rena
There's me!!
where in the world is a person who'll cry for me
You make it seem that
there's no one who will cry for you
What is it ...?

There it is!!!
It's over!
Claude!!?
Aa!! Claude's sword got flipped off!!!
I got this match!!!
Lau attack Claude, who lost his weapon!!
Claude's desperate moment!!

This isn't good. I have to concentrate on the battle...
I won this time but who know what'll happen next...
He did great using power force
Yes~ Claude, you were cool!
He won
!!!
O.o.o oh my!!? Claude s movement of avoiding Lau s attack turned out to be the final!!
Lau lost by getting out of the battle ground!!
I haven't used power force since the practice at the academy, but
Any ways I'm glad it worked
Claude moves up to the second round!!!
A...

Oh...if I knew that I would have gone later...
What...
Your match ended?
Yeah...you couldn't get to watch it, since it was the first match
Claude!
R... Rena!?
Rena!!
Sophia and Mr. Gyam
I'm sorry about that
Did Dias made it in time?
Yes, he already registered it
You got mad at me because of...
uh...
um...
A!
The match ended just now, and... that is
I won!!!
uh... no...
Why are you alone?

I'm sorry I caused you even more worries when you have matches
No... I should have talked to you Claude

I'm sorry Claude ...
That's not true, it was my fault
It's not your fault I misunderstand on my own...
I'm sorry too, Rena...

Dias's !!?
He made Dias's sword which is used in the Armory Contest

his niece, Sophia
Mr Gyam, a sword craftsman and
Rena who are they?

I met Dias at a bar coincidentally and introduced to Mr. Gyam
Rena helped me
When I was looking for someone who'll use grandpa's sword

Without knowing that, I said such things to you....
So that's the reason ....

See you later Rena
Ooh! The match is about to start, Sophia!!

Dias Flac!!!
Didn't Jimmy and Tombu stole the sword
W... what does this mean !!?
Those fools
Bro
This isn't a time to put up a support flag

Sorry
Rena, where were you!
Hey Claude, good job

really?
R...
What's wrong, Precis. You seem down

The second match of the Armory Contest will now begin!!
And now what you have been waiting for

And the number one attention sword man in this contest!!
Gazelle Kia, also the first time in this contest!!

Up
JU, JU, JUST...
WAI

Do you want to taste it?
The sharpness of this sword made by a master...

He is strong...
This is tough...
Can't tell what actually happened
whoa
But Dias hasn't shown even half of his effort
But I want to fight
To test my own strength!!
アニキィィ——ッ!!!!
This sword isn't easily touched by

Yes...
Dias got an overwhelming victory!!!
Now the second round!!!

I am watching the Raquel Armory Contest right now
Mother

He recovers fast
Leave it to me!!

I can't be losing either
Yes

Claude, Ashton, and Dias
They are winning continually!
I get excited too.
I wish you could see this
The Armory Contest, being a place where it is open to many countries,
had many strong people attending in it
But I was surprised

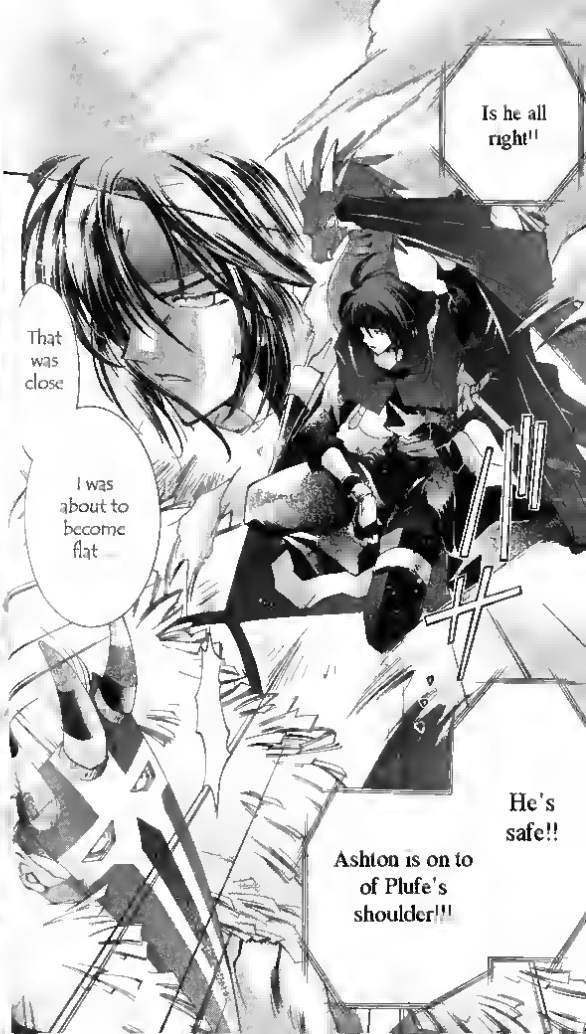
Isn't Ashton's match, next. So I thought I watch it from here
Maybe you really are going to win
But you guys work hard
I'm back
Congratulation to the semi final round
What is it Claude
Now, the Raquel Armory Contest's surge will still continue!!
The fourth match of the quarter final is
Ashton Anchor!!!
The young crest sword man who puts mysterious accessories on his shoulders
It's not accessories
52
No way
His opponent, by the large body, rumored to be the descendant from the Giant Family!!!
Plufe Lyan!!!
ヒィ!!!
B I G !!?
Huh, he's not a monster, is he...
Ashton looks small
53

AH
IF I GET HIT, I'LL TURN OUT TO BE A THIN SLICED HAM
OF COURSE !!
Ashton is running away from Plufe's attack. He is desperate!!
HOW AM I SUPPOSE TO FIGHT!!!
H...
Start the match!!!
ASHTON !!!
THAT'S GRUESOME !!!
Ashton, didn't make it!!!
HUH

This is just a
return!!

That's crest swordsman's thing?
Not really
Right now he is Ashton and not Ashton

Wow!! A blizzard began from Ashton's sword!!!
The cold swirling blizzard wraps around Plufe!!



Is he all right!!
That was close
I was about to become flat
He's safe!!
Ashton is on to of Plufe's shoulder!!!

Refrain your selfish act!!
How can I let you go off!!
Gyoro in Ashton
Don't say any more rubbish!!
Anyways, I'll defeat that beast!!
Ururun in Ashton
Wait a minute
Hahhaha, this is just a test
This time is for real...
Yeah
Um... Claude maybe
Gyoro and Ururun is arguing
Hey...why is Ashton talking to himself
HEY!!!
I'll end it with this
Hmph prattle as much as you want
Ururun in Ashton
Ha who cares!!
First of all if this guy gets beaten what will happen to us!!
Gyoro in Ashton
Don't get carried away You're the one who said we shouldn't fight against human!
Did you forget what you said

Ice Crud Rage!!!
IT WILL CAUSE BIG TROUBLE IF YOU USE THAT SPELL HERE!!!
STUPID STOP IT
Freeze all this evil
By the strength to clean force
THAT DOESN'T MATTER
Celine, that's Ururun
W WHY DOES ASHTON KNOWS THAT SPELL!!
To the frozen wizard of the ground
Forgive me to dance swiftly and wildly with the wind
He is a crest swordsman
It seems that Ashton began to chant a spell!!

!!!!
きゃっ?
ドンッ!
What?
Ow
Oowow
Th, this is a hail storm!!!
ヒュオオオオ
There is a wild storm blowing in this Armory Contest!!!
!!?
Even Plufe can't handle this.
How will the match end!!!
What is this, there's no one on the stage.
Both Fail
What an unexpected turn out!! Plufe and Ashton, both were blown off to the outside!!!

But I'm glad
If I won, I had to fight against Claude
I don't like that
hahha
Ashton...
In my match, both failed so you don't have an opponent in the semifinal...
what .. but the semifinal...
A...I see...
Claude!
Rena and Precis
Dias moved up to the semi final!!
Now you can finally fight against Dias!!
I lost do I have a loss of memory
...Why is it that when I know it,
Too bad...
I can't believe it...
The final か...
I came all the way to here...

Fight, Claude!
We'll be cheering for you!
You came all the way here, do your best!
Good luck Claude!
I know you can win!!

Yeah !!
Thanks… everyone…

The time came… to associate my sword with Dias…

Claude!
Please prepare for the match
A… yes!

Claude…

Claude!!!

I'm going to go now

The last match is about to begin at the arena, where the history of numerous battles are represented!!!
And now this year's Raquel Armory Contest's final match!!!

Claude...
Dias...

F finally
Yes...

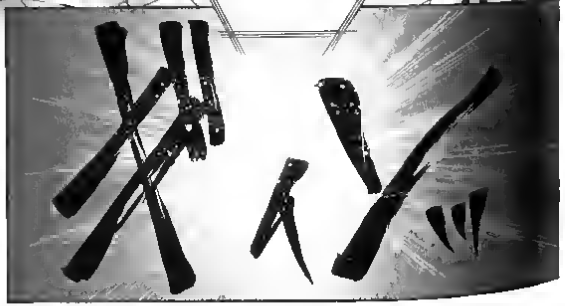
Promise!

It seemed like you won through to the final as promised

What do you mean by promise!!
What... Rena didn't tell...
What?!

Claude, who is the first time to attend this contest,
won through by the combination of sword and fighting skill!!
Opponent Dias showed us greater effort from the rumors by defeating many veterans who blocks his path!!

Begin the match



Hm…
You're humorous…
You turn tough when it comes to Rena

But to associate my sword with you, so soon…

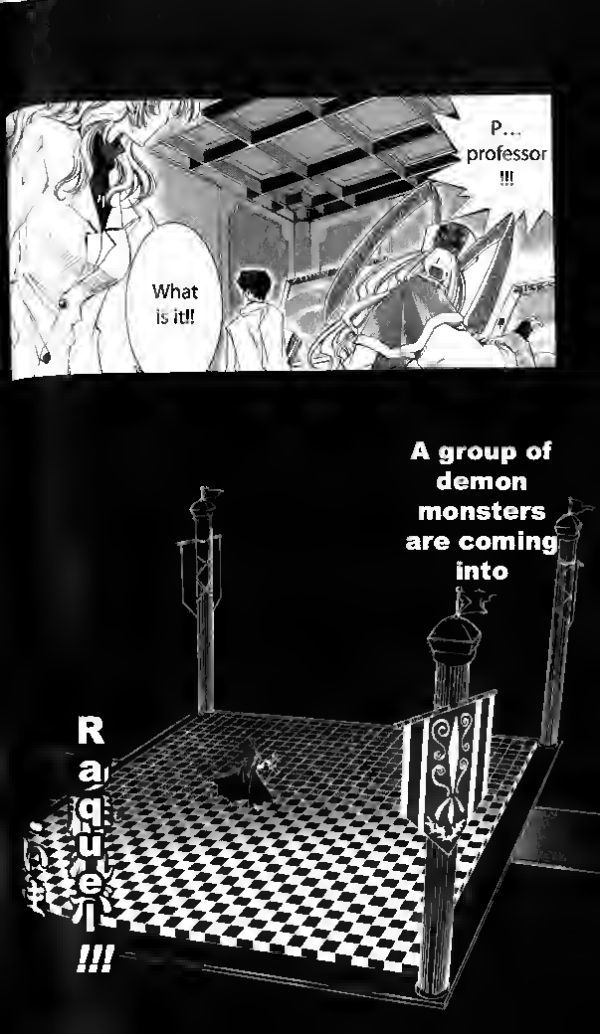
I'm going to tell you that a battle is a competition of seriousness…
I will fight with all my might…
Think that you'll die if you lay off for a moment

Haaaa
鳳
Fire Bird Force!!!
破!!!!

The echoing sound of the sword played in the arena tells the battle dreadfulness!!!
Wow, the swords are hitting against each other wildly"

What heavy sword play!!
If I don't concentrate, I'll get cut in half!!
Dias is sword monster, himself!!!
He's wildly different from the other opponents I fought!!!

It's not entertaining enough...
You're good!
I can't lose...
This...is just the beginning...
oh...
Oh my... no...
Whoow
It's the Chinese Phoenix !!!
The shock-wave force from Dias sword attacks Claude!!!
Ku...
Dias still continues to attack!!! Can Claude recover his position!!!



P... professor !!!
What is it!!
A group of demon monsters are coming into
R a q u e !!!

Several Thoughts

Now the Raquel Armory Contest's final match is coming to a climax!!!
The wild battle of the swords are still continuing on top of the ring!!
ku…
Come on!
You won't be able to win against me, if you keep defending!!
D... dreadful sword force!!
Claude repelled, trying to catch it!!
A foul like strength!
He is getting beat all the time
Claude
Come on Claude!!
Owww…
Haaa!!

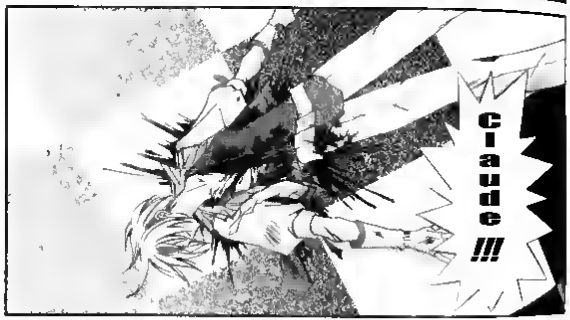
But...if I lose without cutting him, then
You just watch from there...
You'll only get in the way!!
...
It will mean that things haven't changed since that time!!!
Dias attacks Claude mercilessly!!
He's not even out of breath!!
If only I didn't make any moment for him to attack
He's strong.
To think that Dias and I had so much difference in strength
Rena, where are you going!!
They are still battling!
Rena!!
...

No more... I can't stand watching any longer...
For me watching Claude and Dias fighting...
I promised Claude
That I'll always be watching
Aren't you going to watch the match?
How come you're not cheering for Claude?
What...
Why?
...Well
Precis...!?

So…
Please Rena…
Precis…
My voice and feelings
don't reach Claude…
Is it because you're thinking about Dias?
You don't want Claude to win?
I…
NO!!!
Please support Claude!!!
It's vexing, but only you can do it!!!

Please
support
Claude!!!

Ooh, so many blood
You'll lose if you don't get up
Get up Claude!!
Claude !!!



Claude !!!

Claude !!!

This must be the movement of a severe fatal wound!!!
Aaaaaahh!!! Dias' sword finally pierced Claude!!!

But the wound is too deep to stand up!!!
Claude will be defeated unless he stands back up in 5 minutes!!

haha...
Good job
Keep it up Claude
I was... really happy felt that I got accepted...
The time when I got praised from a person other than my parents...
Oh yea...
What... what's this memory...

You all right Claude
Come on
That's because I'm practicing other than training
Sorry, sorry I forget to go easy on you
oww...
But you improved on your sword skill
Mr. Gash...

I noticed that everyone only see me as the "Captain's son"...
No matter how hard I work
Oh... yeah... since then...
In the opposite way, when I don't show any results...
Everyone will say "But he is the Captain's son..."
Doesn't anyone see me as Claude?
Really
You passed as number one in the practical skills test
Well done
I thought I should work hard
I was happy... so
It's because you're Captain Ronikis' son

Claude !!!!
Get up !!
Come on Claude !!
Claude !!!!
Rena

Rena...
Isn't looking at me as the Captain's son...
Claude!!
It's no use... the vital point is missed but, he can't get up...
Rena...
Even if you were not a hero
Even a guy who's not a hero like me...
It's okay...
As Claude
Oh my !!?
!!
Rena...
C... Claude got up!!!

カキィ
Dias!!!
I will definitely exceed over you!!
Rena with these hands !!!
To protect

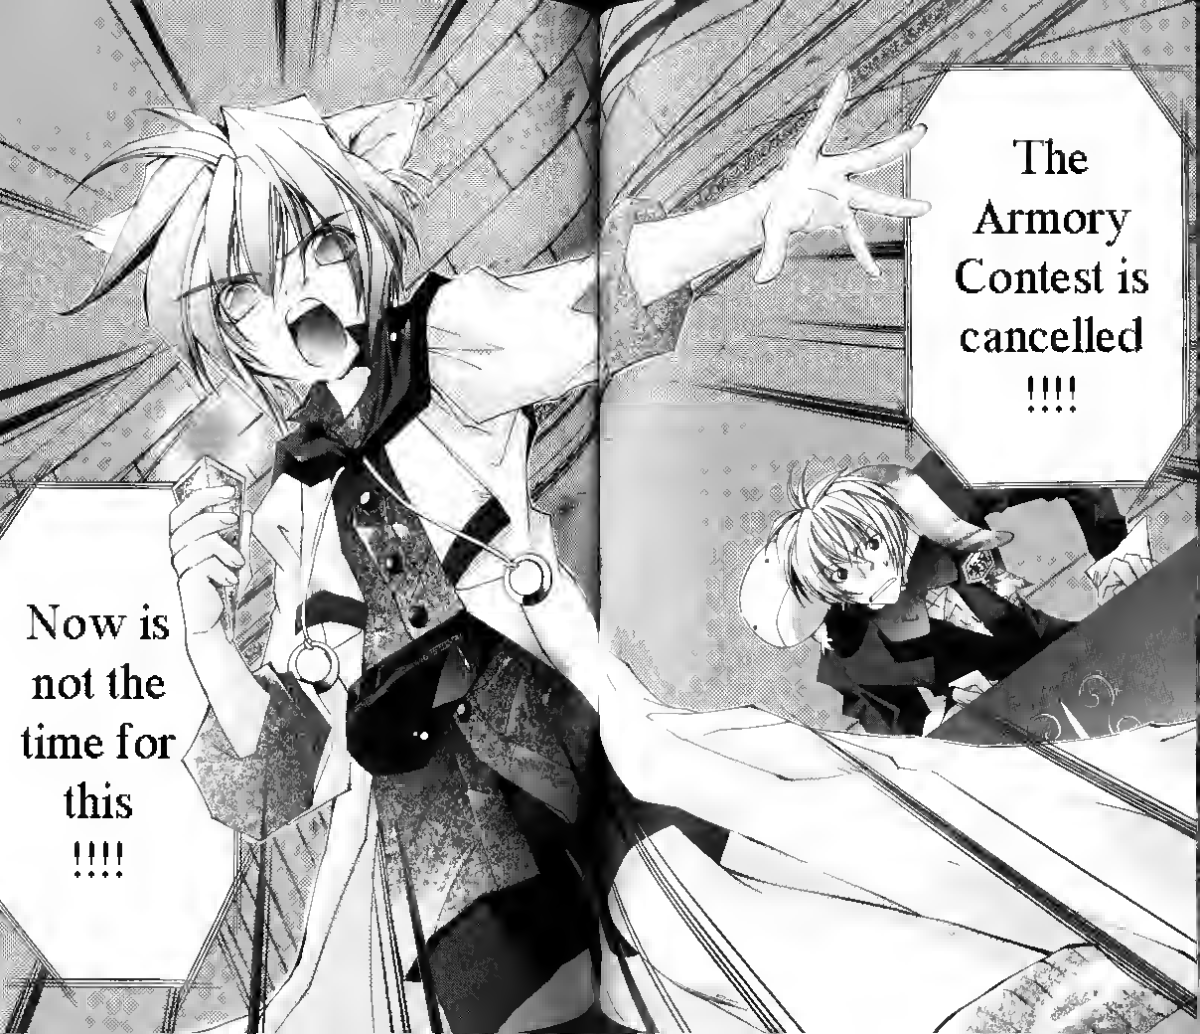
But this is the end!!!

But that one move only cuts Dias slightly!!!
T...the unpredictable thing!!!
Such strength in the sword play, Claude's sword broke into pieces!!!

Stop this match!!!

Where's the m cro-phone?
Claude is in a pinch of definite trouble-
huh

But Claude can't bearing the pain of his injury, he kneels down!!
I haven't seen my own blood for a while—
I guess you are a guy who is more than I expected
Claude



The Armory Contest is cancelled !!!!
Now is not the time for this !!!!

Are you ready?
Instead of explaining its faster if you see it
Yes Professor Leon
Don't know
Hey... why are we here?

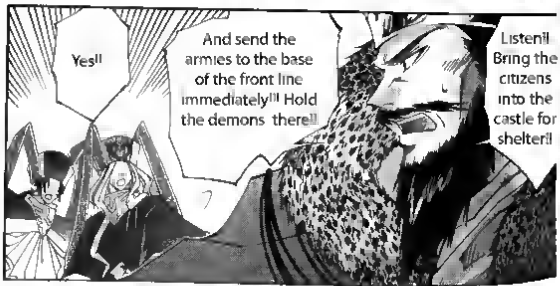
What is that large mirror...
But he seems insolent
He's a professor. He's in a high position for a kid

What am I going to see with this?
Isn't this the Crest Water Mirror

What do you mean, Leon
To cancel the Armory Contest...

When will they arrive in Raquel?
That's why I said now is not the time
We're not quiet sure, but we don't have much time

What!!
According to their path it seems that they are coming towards here



Yes!!
And send the armies to the base of the front line immediately!!! Hold the demons there!!
Listen!! Bring the citizens into the castle for shelter!!

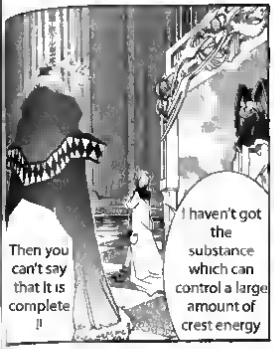
It is almost complete
It's all right King Raquel

It's covering the sky!!!
What is this numerous number of demons!!?

Obviously
you're going to come with me as my bodyguard
What!!?
You are strong...nght

Y... yeah
Are you guys going to El?

I don't want to meet the demons~
Claude, we have to go to El~



Then you can't say that it is complete !!
I haven't got the substance which can control a large amount of crest energy

Yes
But there is one problem
Is that true, Leon!!

I can get it easily
Now leave it to me,
I already looked for the place

but why are we called here?
Um... sorry to interrupt your conversation

If I have to protect a kid, then I wish to be at the base of the front line
Not me...
Until you guys finish your shopping, I'll hold the demons
Wha...
Dias!

Dias
Now, lets go this over with!

We'll hold this match until the next time...
What an interruption that came in...

Then how about this?
If you guys cooperate with me,
I can get you a ship which sails to El

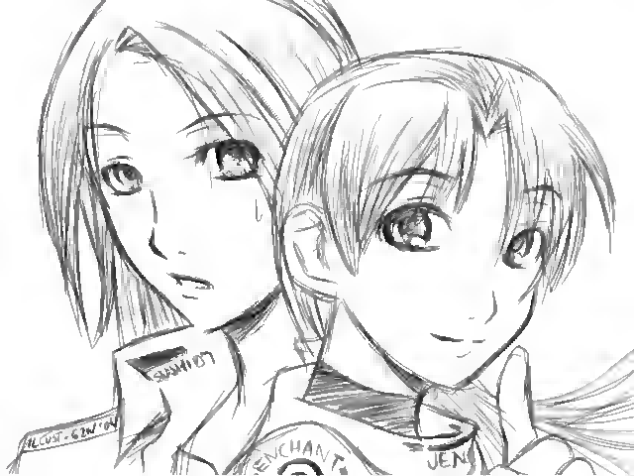
So what's it going to be?
A... all right

This kid pisses me off
H... he's forceful ~...
Why, he's so bossy!

Right, King Raquel
y-yes...

In a solitary island off north from Raquel
According to my examination ...
Leon, where is that substance?

The sleeping capital of ancient civilization
The Hoffman Ruins!!



JEN

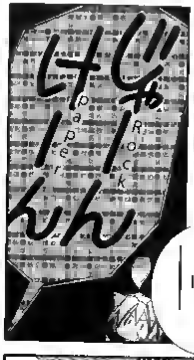
Hoffman Ruins

Leon and
5 people... so that means the boatman and
I could only get one boat ready in that size, since it was sudden
There's no other way. We have to go down narrow mounta n streams to arrive at the island
Well, even if you were able to ride it, 5 people are the limit, no?
3 more people !!!!

Professor Leon, the boat is ready!

He means, that I is impossible for all of us to fit in that small boat
Yeah
Did you think we're going to walk?
We're going to the Hoffman Ruins by that boat?



Paper Rock Scissors
Professor Leon, the boat~...
I know!

ポイっ!
Scissors!

Don't know
Dr. Bowman, did you change your move?
Oooh, damn it!!!

Yes, there should be many treasures when it comes to ruins!!!

I'm kind of interested too, I only read it in literatures
...It doesn't matter to me...

おおおっ
WHAT!!? LEAVING 3 PEOPLE !!!
I WANT TO ATTEND SOMETHING EXCITING LIKE THAT!!!

Lets do this in the most fairest way...
All right!!

You all right Rena!
It shakes so hang on to me
Kya
T...thank you Claude

Geez...we're not going on a picnic

U...um Rena

It's not like we have a lot of time
Sorry...

Yesterday at the Armory Contest... well...
thanks for... supporting me...
I was happy
I was only... thinking about that...
I just wanted you to do your best
If you didn't call me, I could have been
Oh no...!
Renato
Professor Leon, I can see Hoffton Island!
S... sorry
What!!
You guys stop that. You're making us looked embar rassed
Geez

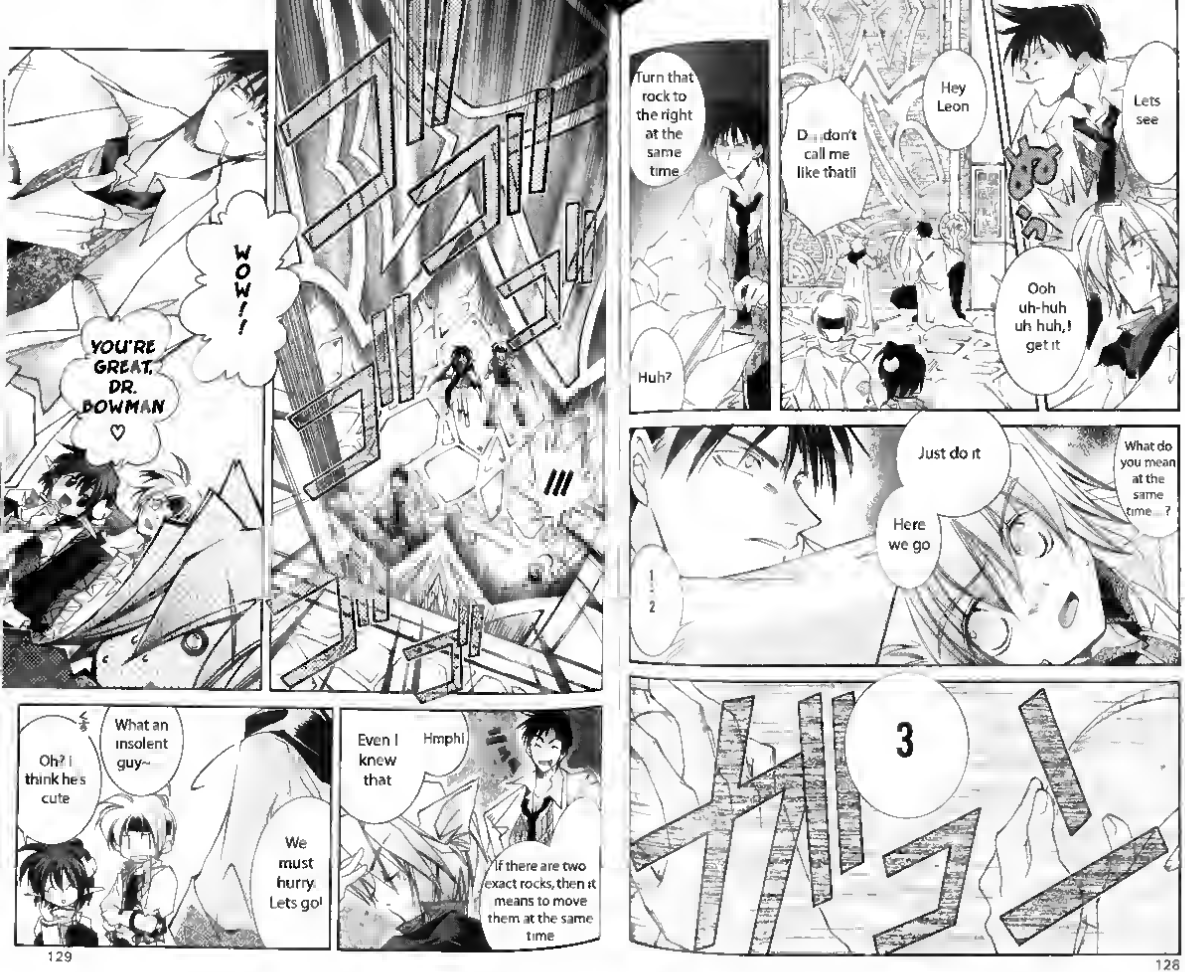
This is unusual design of the building. But it seems that civilization was highly developed

They say that after prosperity, destruction comes to any civilization but
Maybe our world will turn into like this next

Please be careful, Professor Leon!!
We'll be going to the ruins

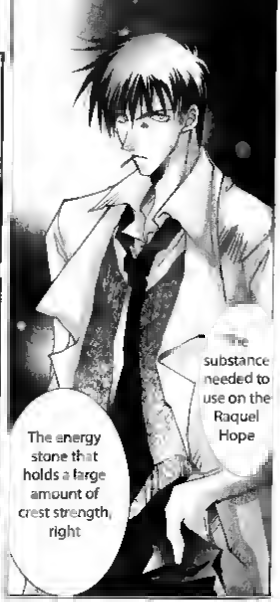
You guys stand back
a trick like this
I can open it in 2 seconds
It's easy You guys, this rock and...
It's not opening
Y...you're noisy, shut up!!
Huh?
Then this is like...
like...

Huh!?
It looks like a dead end... we can't go in
Yeah...
Look
A sense of saying that it will open by a mechanism
They don't know anything
Amateurs



3
Lets see
Hey Leon
D...don't call me like that!
Ooh uh-huh uh huh,! get it
Turn that rock to the right at the same time
Huh?
What do you mean at the same time...?
Just do it
Here we go
1
2
WOW!!
YOU'RE GREAT, DR. DOWMAN ♡
What an insolent guy~
Oh? I think he's cute
We must hurry. Lets go!
Even I knew that
Hmph!
If there are two exact rocks, then it means to move them at the same time

How come you know that, old man!!
Whal!?



The substance needed to use on the Raquel Hope
The energy stone that holds a large amount of crest strength, right

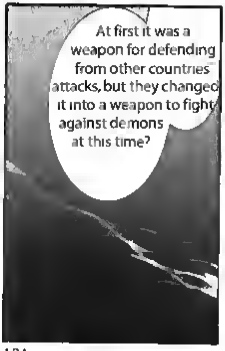
I'm not an old man!!!
great Dr Bowman
what is Raquel Hope?
Call ma tha Great Dr. Bowman!!

Just what is in this ruin?
Hey Leon...

A

It was dragging along so
S... sorry

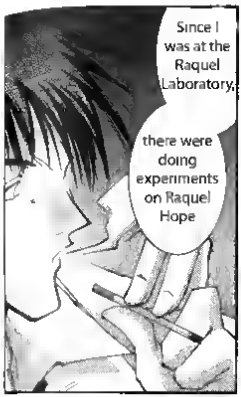
You guys won't understand if I explain it
It's no use asking...



At first it was a weapon for defending from other countries attacks, but they changed it into a weapon to fight against demons at this time?

A powerful crest weapon that takes advantage on crest power
It holds the power to blow away a small island

Anyways, I am responsible for this experiment
The past doesn't matter!
ゴゴゴ
I would like you to stop blabbing about the superfluous things without a permission



Since I was at the Raquel Laboratory,
there were doing experiments on Raquel Hope

That's a nation secrecy!!
Why do you know so much!

Leon, I know about you too. You're the son of Florince and Merdock, right
Well, I guess you don't remember me 'cause you were 3 years old when I saw you.
The short part hasn't changed at all though

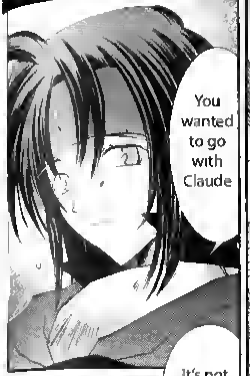
What!? You were at the castle's laboratory!!
Yeah Pharmacy Laboratory in the past. I didn't stay for half a year though

A sad face!?
Precis?

Wow, it's small but pretty ♡
These are music boxes

Never mind
Look Ashton, these are so cute

Huh?
Which one do you want?



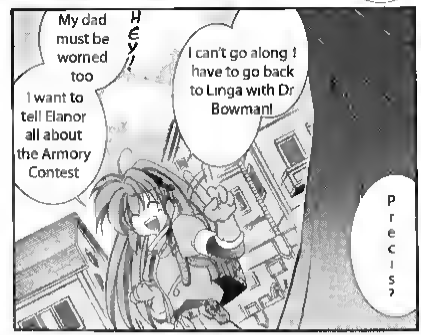
You wanted to go with Claude

It's not like that
Investigating ruins seem fun

Uuh, this is boring

Rena have
Claude
And

Beautiful sound...
So beautiful, it makes me feel sad...



My dad must be worried too
I want to tell Elanor all about the Armory Contest
Hey!!
I can't go along ! have to go back to Linga with Dr Bowman!
Precis?

When Claude and the other come back from the Hoffman Ruin,
everyone is going to El...

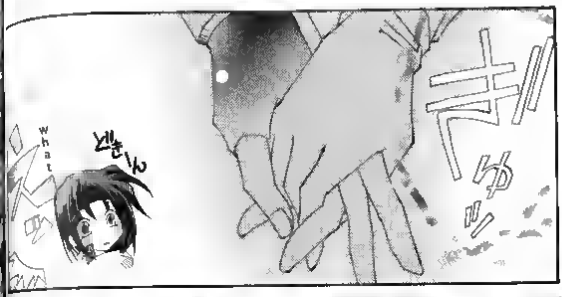
I'll buy one for you
W,
what~
Pick the one that you like
That's ok~

Um
Then this one~

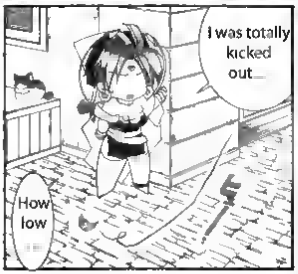
Hey, what do you mean?
It's not like you to hesitate

To separate from Ashton...
Claude and Rena...
Celina...
Gyoro and Ururun
And...
But... it's sad...
I'm almost going to separate from everyone...

You can say that!



what



I was totally kicked out...
How low

You may not be enough for the whole group, but
Be my companion today, the whole day
Is that a da~

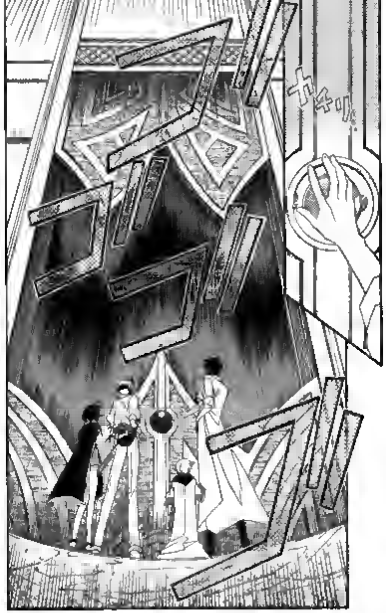
Lets go ♡
T... to where!?

Claude took!

Yeah, we've been walking for about 2 3 hours
We came in pretty deep

The end of the path is glowing in a bluish white light!!
Ok! Lets go

We now cleared the 4th mecha-nism
A pretty simple thing
.....

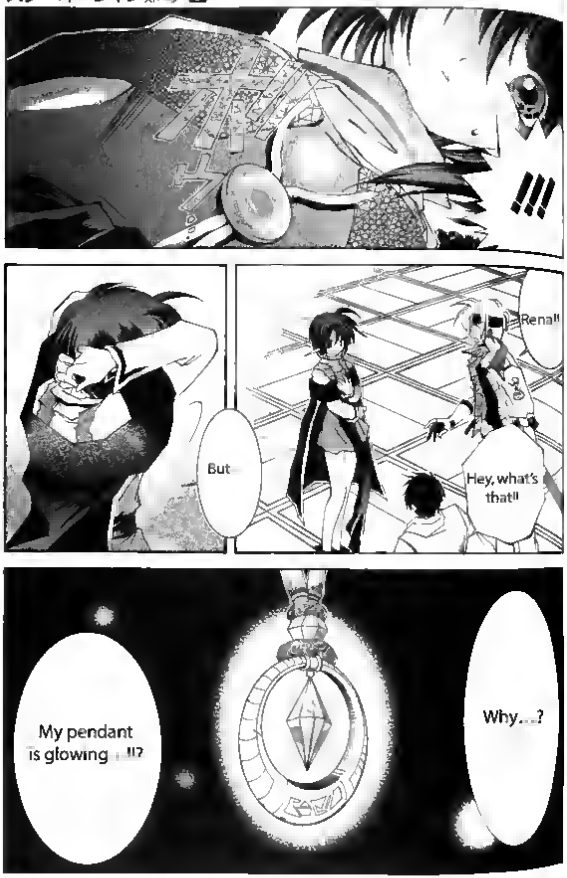


Wh ow, what's this light!?
!!!

Sorry
It was dragging along

A
A mechanism which everyone can solve

Hey, it helps I don't have to use head for useless things



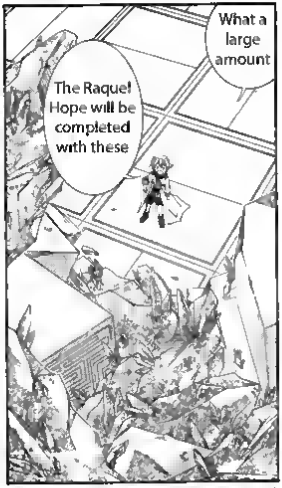
!!!
But...
Rena!!
Hey, what's that!!
My pendant is glowing...!!?
Why...?

Wo...w.
These are the Energy Stone!!!

フラッ
AAAAAAAAH, HELP, MEEEEEE

Is it reacting to the ores here?
To the Energy Stone?

Hey, the pendant doesn't matter
Help me collect the Energy Stone
カル



What a large amount
The Raquel Hope will be completed with these

ハッ
Rena, help me!
Yes!
I'll prepare an antidote right now
A third eye on the forehead!!!
!!?
Yeah! Maybe...he...
Be...careful...
Claude!
It...is still...

Help me!!!
ばた ばた
Just get him off of me!!
What is it, Leon!?
Ugh

Whoow!!
Look out!!!

It seems that this place is it's nest
A spider, how big!!!

不安
uncertainty
You are going to fight?
How...?
Claude and I will hold it
Leave it to me!
Such hardness
Like a gargoyle
Everyone stay down!!!
U uhh...
There's deadly poison on its spiky legs
Be careful
Don't move!
I'll put on the spell of antidote
Ku :

This is my way of fighting
Take that!!!!
ボッシュウ
Hey!? It's dangerous!! Without holding a weapon
We defeated it by Celine's crest magic, but...
Yes. A sword didn't help that time either
Wow Claude, you fought against a gargoyle?
What!! You're not!!?
フッフッフ
Don't think I'm just a curious medicine shop owner
or crest magic skills
The way of fighting isn't always sword or martial.

DR. BOWMAN
I don't have anymore extra acids
Is there a problem?
Uum, it's supposed to be like that logically, but...
Leon!!
Don't say it so miserably. There's another way
Chant that spell
There was one that calls for the rain acid, right
I... I can use it
Can you use crest magic?

Acid
Acid!?
Dr Bowman what were those
But with a strong acid that will even melt metals,
we can damage its armor
That thing's outside shell is like steel. You can't defeat it with a sword
It can even be defeated by a sword!!!
I see... so if we peel off every shell with acid
The more solid the shell is, the softer the inside is

We can't defeat that monster on our own
We need your help
Hey
listen carefully, Leon

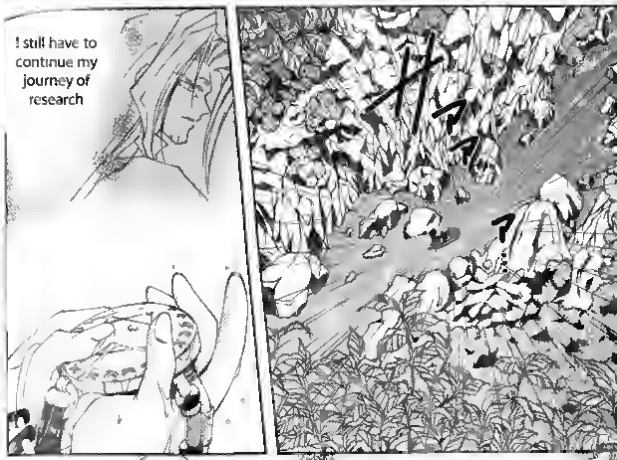
We separated from Opera at a port town called Harley
We think she is still looking for you, even now!!
I have...
a favor to ask you...
I see...
She came after me
even here...
Why my name?
Aren't you Ernesto?
She said she was looking for a man who have a third eye on his forehead like herself...
We met a woman name Opera at the Mountain Palace in Crossl
Ernesto, wouldn t that be you?

They can t win against what you call the urge to adventure
Ooh Leon Good thing came back safely!!
Did you find it?
See, if you were to lose everything,
or to make your love cry
HAA



I still have to continue my journey of research
HAAA

I can understand in a way...
Dr. Bowman ...

If you meet Opera during your journey...
Opera... she's still looking...

Leon

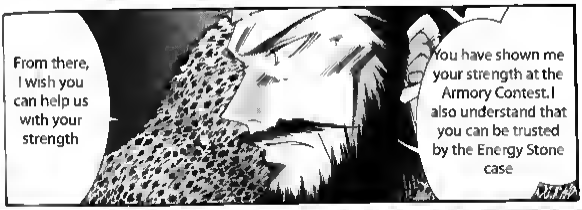
Oh sorry, I think I said it in a wrong way
Punishment? What do you mean by that!?
Don't feel bad...



From there, I wish you can help us with your strength
You have shown me your strength at the Armory Contest. I also understand that you can be trusted by the Energy Stone case
